Hi Kathy,  
Sorry for my delay. I made some tiny edits – nothing substantive – a word missing, spacing....

Thanks!

Hi Antonio,

I understand we need to send PPTs through you prior to presenting them at meetings. Attached is a PPT I will be giving as part of a larger seminar on CWA section 404 assumption (<https://www.aswm.org/aswm/aswm-webinarscalls/4258-clean-water-act-section-404-assumption>).

Material here is taken from previous presentations to states, tribes, and other associations.

Please let me know what else we need to do with this prior to presenting it. Happy to delete the talkingpoints if need be.

- Kathy

All,

Attached is a PPT that Stephanie crafted based upon other PPTs about assumption of the 404 program. This is to be used in a webinar on February 18, 2020. I have made revisions to Stephanie's version (that address Mike's comments) but am sending this to you for your input/review prior to sending it to Antonio Bravo and then back to ASWM for the webinar.

Please copy Stephanie Kelly and myself on any comments you may have as we will back stop each other to make edits.

Please provide comments by COB Wednesday if possible to allow for additional OWOW internal reviews etc.

Thank you, Kathy
